February 2022

Dear Parents,

We began our year with the celebration of the burning of the mortgage for our West Wing. Now we begin to proceed to seismic upgrade our Learning Centre and complete our East Wing. Our 100th anniversary will be a special celebration which will ignite a new beginning of our St. Helen's legacy. We have a great fundraising committee and centennial committee which we will introduce at our AGM.

Registration packages for the 2022/2023 school year were e-mailed to all returning in-school families at the end of January along with their tax receipts & student verification forms. Our AGM will take place on February 2nd at 7:00pm on Zoom. All parents must register their children by February 4th or sooner by responding to the e-mail sent out earlier this week. If you do not register, your spot will be given to a new family due to high demand.

Sincerely in Christ,  
Waldemar Sambor

## ***Permission Authorizing the Use of EFT Payments (Pre authorized debit PAD) for Incidental Fees Charged by a School (CISVA procedures)***

St. Helen's will continue to use electronic fund transfers to collect incidental fees from families. In practical terms what this means is that when the school notifies you of an incidental fee for your child, these funds will be debited directly from your bank account by the school. We are substantially reducing the schools overhead of collecting cash and cheques.

Note that St. Helen's will only withdraw the specified amount after first having notified you of the amount and purpose. This notification will be sent to you by email at least 10 days before the debit is scheduled to be taken from your account.
