Dear Parents,

I hope your “Holy” days were filled with wonderful memories of family, friends, and good health! Thank you for the support you’ve shown the students and teachers for their efforts in performing for our annual Christmas concert.

As we move into the New Year, we continue with our focus on our academics, physical activities and fine arts. There never seems to be a “down-time” in an elementary school, but may we always remember to enjoy each other and God’s blessings. Thank you for raising such wonderful, responsible children, and sharing them with us each day.

May God bless you and your family in the New Year as we grow in our knowledge and love of Him.

Waldemar Sambor—Principal

We have recently removed the sign from the corner of Triumph and Ingleton since we are in the process of receiving a permit to demolish the old building. We are looking for some parent helpers to refresh and repaint this sign. Please call the office if you are available to remove the boarder and touch up the yellow and red areas. The sign is being held in the garage and materials will be provided for you.
