

# Grade One News

*In the Grade One class, we would like to have a “Parents As Partners” program. Part of making this a successful program is to keep you, the parents, informed as to what the curricular topics will be. We feel that if you are aware of our themes and units you will be able to enhance your child’s learning by providing related activities at home.*

*Tips for helping at home:*

- Read with your child everyday.
- Encourage your child to become more independent.
- Create a homework routine that works for your family.

## Language Arts

- Accelerated Reader
- Read Well
- Writing
