

Grade One News

In the Grade One class, we would like to have a “Parents As Partners” program. Part of making this a successful program is to keep you, the parents, informed as to what the curricular topics will be. We feel that if you are aware of our themes and units you will be able to enhance your child’s learning by providing related activities at home.

Tips for helping at home:

- Have your child read their Read Well homework to you seven days a week.
- Practice ‘Tricky Words’
- Read fiction and non-fiction books to your child for at least 15 minutes each night.
- Learn addition and subtraction facts to mastery
