### NOTE FROM THE PRINCIPAL

Dear Parents,

In early July, I had the privilege of joining the 10th Anniversary CISVAAA El Camino pilgrimage—a journey that was both deeply spiritual and profoundly memorable. Together with a group of administrators, we walked nearly 200 kilometers through Portugal and Spain, concluding at the Cathedral of Santiago de Compostela, which houses the shrine of Saint James the Great.

Along the way, I treasured moments such as stepping into centuries-old churches, attending Mass and prayers, and experiencing my faith in ways that will guide me throughout the years ahead. One special moment was when a monk blessed me saying, "You are the leader. You must share your faith with the community, especially in this Jubilee Year, when the Church offers us a special time of renewal."

Pilgrimage allows us to encounter God in a fresh way. On the El Camino, the daily rhythm of prayer shaped our hearts, reminding us that true leadership flows from faith. As one fellow pilgrim shared, "God loves to use pilgrimage to challenge us and bring us deeper into our faith and relationship with Him."

The photo below is of the Cathedral of Santiago de Compostela, which houses the shrine of Saint James the Great. May it inspire us all as we enter this school year with renewed faith, hope, and joy.

*Once again, our hearts are heavy as we hear of violence and loss of innocent lives in Minneapolis. These senseless acts of shooting shake our faith in humanity and leave families grieving, communities broken, and a nation searching for peace. In these dark moments, we are called to pray for the victims, for their loved ones, and for an end to such violence.*

Sincerely in Christ,  
Waldemar Sambor

Living,  
Celebrating, &  
**PROCLAIMING**  
**OUR FAITH**

I would like to encourage every family to make Sunday Mass part of their week. To attend together as a family if possible since Mass is more than tradition, it is a foundation of our Catholic life. Being part of a Catholic community means committing to nurture our children's faith. The journey begins at home and is strengthened in the parish, especially through the Eucharist. Let's begin the school year with a renewed commitment to placing God first in our schedules and in our hearts.

## *Special Thank You*

St. Helen's Staff attended a study day retreat in Squamish which highlighted that our faith is the most important subject in our school. We are called to serve our community and families. We also highlighted the importance of working together, focusing on relationships between students, parents, and the community at large. We need to accept one another and treat each other with kindness, respect, and compassion.

## *Summer Maintenance*

With the rising cost of construction, we recently added additional fencing for the safety of our students, both around the playground and along the west side of the church. If you are willing to help us with these additional expenses, please contact the office next week so we can recognize your generosity. **We will be having a ribbon cutting ceremony right after our paralit on Sept 2nd at approx. 9:30 am.** All sponsors, PEC and parents are welcome! We are deeply grateful for your support.

# SEARCHERS NEWS

Safety is very important to all of us. After a discussion with the staff and input from parents, we are putting signs in front of our playgrounds to ensure that they are used properly. A reminder to parents that our school doors remain locked. Please refrain from asking students to open them for you. If you need to enter the building, please buzz the front doors to allow our staff to let you in.

I hiked with my daughter and grandson through the High Note Trail from Whistler Mountain, over Flute Mountain, across the Musical Bumps, and down to Russet Lake to the new hut.

This hike is often considered one of the best in the world, known for its breathtaking views of Fissile Peak, Overlord Glacier, and the Spearhead Range.
