NOTE FROM THE PRINCIPAL

Dear Parents,

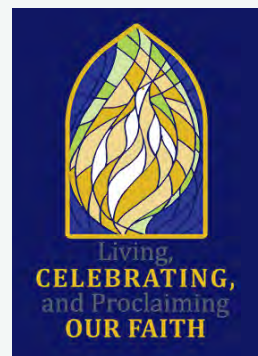

As the 2024–2025 school year draws to a close, I want to express my deepest appreciation to all of you for your support and a most earnest commendation for a job well done.

We had an extremely successful year at St. Helen's School. Thank you for entrusting us with the education of your children and for standing alongside our staff throughout the year. I am deeply grateful to our dedicated team of educators for their tireless enthusiasm, professional leadership and care. A heartfelt thank-you as well to our Pastor, Fr. Al, and the PEC for their ongoing commitment to our school community.

This year also marked a significant milestone in our school's history: the opening and blessing of our new Modular School North Wing. This achievement was made possible through the collective effort, generosity, and vision of our entire community—parents, staff, parish and supporters. It was truly a historic moment and I couldn't be prouder of our students who participated in the celebration.

As we head into the summer months, I wish you and your families a restful, active and joyful break. We look forward to welcoming you back in September for another exciting year of learning and growth.

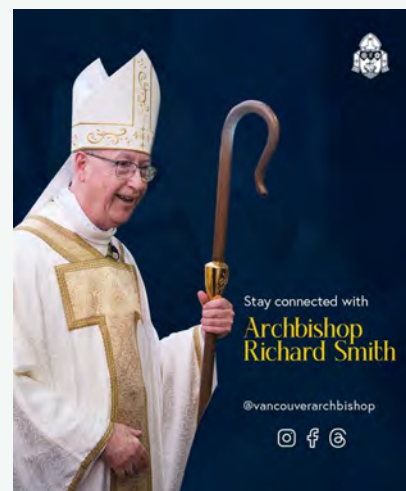

Sincerely in Christ,
Waldemar Sambor
Principal

Thank you to Nick Mobilio, Kevin Lee & Rico Perrotta for organizing such a first-class golf tournament. The change in location definitely made a positive impact as it boosted participation and brought even more energy and enjoyment to the event.

The golfers were clearly engaged, and it was great to see how well the volunteers were organized. Everything ran smoothly from the quality of the play to the fantastic food and generous sponsors.

It takes a tremendous effort behind the scenes to pull off something like this, and they did it exceptionally well!
