NOTE FROM THE PRINCIPAL

Dear parents,

As we enter the final term of the 2024-2025 school year, this season invites us to reflect deeply on our spiritual journey, especially as we prepare for and celebrate Easter—the most important season in the liturgical calendar. This year holds even greater significance as we celebrate the Jubilee Year, reminding us all to continue growing in faith. A key part of this is encouraging our children to actively participate in Sunday liturgies, which strengthens their spiritual formation and supports our teachers in their mission.

As a school community, we are committed to fostering this faith journey. We have three significant sacramental celebrations: Reconciliation, First Holy Communion for our Grade 2 students, and Confirmation for our Grade 7 students. During Holy Week, our students will take part in special assemblies, receive the Sacrament of Reconciliation, and reflect on Christ's journey through the Stations of the Cross.

Sincerely in Christ,
Waldemar Sambor
Principal
