Dear Parents,

St. Helen's Catholic Elementary School is a learning Catholic Community working together to ensure the success of our students.

We hope you will take advantage of every opportunity to be part of our school, bringing to it all of your energies, talents, and interests.

With its philosophy of educating the "whole person," the spiritual development of the children is integrated into all areas of the curriculum.

St. Helen's School provides opportunities for personal excellence in distinctive educational extracurricular activities. **In 2024 St. Helen's** will be in its **101<sup>st</sup> year** of operation. Today our school is recognized as one of the best independent schools in Burnaby and enjoys a reputation for excellence in Academics, Athletics, and Fine Arts; a credit to tradition and hard work.

We encourage all our students to become lifelong learners and take responsibility for their learning. Parents increase learning opportunities for all students, and they provide an even richer education by adding their unique skills, talents, understanding and time. Children take pride in their parent's involvement in education. Parents promote a community of understanding of the school and students' needs. Parents like you are important people!

Sincerely in Christ,

# THANK YOU FOR YOUR GENEROUS SUPPORT

We believe the fish to be an appropriate symbol of our effort to build a new school for the children of St. Helen's Parish. To achieve our fundraising goal, we need to cast a wide net. It is necessary to raise funds to continue to provide high-quality education for all students.

This is your opportunity to help. This is also your opportunity to leave a legacy that is your name on our "Donor Recognition Wall," which we refer to as *The Stream of Gratitude*. This special wall, a symbol of thanks and recognition to those of you who will make donations to support for these growing educational needs will be located in the foyer of the West Wing.

There are six levels of support in our Stream of Gratitude, each represented by a fish of varying size and hue. Your fish will symbolize your level of support.

Please join our Stream of Gratitude.  
Please help us to finish this task that  
God has given us.

## ***Saint Helen's Church***

*3871 Pandora Street, Burnaby, BC, V5C 2A6*

Dear Parents,

I would like to thank you for registering your child in St. Helen's School for the 2024/25 school year. I welcome you all to our school and parish family and in a special way to those who are new to our school this year. We feel honoured that you have entrusted to our school the education of your child and we promise to do our utmost to provide an excellent Catholic and academic formation.

At the very heart of our Catholic elementary school is the person of Jesus Christ. We strive to help our children know and love Jesus, to learn the teachings of the Catholic Faith, and to equip them with the values and virtues that will guide them throughout their lives. The encounter with Christ is the reason for our school. The Church has always taught that parents are the primary educators of their children. Our teachers do their best to teach and exemplify the faith but if their efforts and the sacrifices you have made to send your child here are to bear fruit then your own teaching and example are also necessary.

We are all on an ongoing journey of faith. This time is also an opportunity for you to grow together with your child in your faith. I would invite you then, if you are not already doing so, to attend and participate in Sunday Mass here at St. Helen's or in your own respective churches. I would truly love to see you celebrate the Eucharist together with the rest of our community. It is also proper for Catholics to support their parish with a financial contribution according to one's means (and which can be done by the regular use of Sunday envelopes). Finally, because Catholic schools in this province are only partially funded (about 50 percent) by our tax dollars, in order for our schools to thrive they require additional support from parents in the form of various opportunities to volunteer service to the school. Your generosity and goodwill ensure that our school will continue to flourish.

St. Helen's has a rich history and a promising future because of parents like you. Know that I am always available to listen to your concerns and to support you in whatever way I can. I thank you for your past involvement and sacrifices and look forward to a year filled with good things for your family and our community. May God bless you abundantly!

Sincerely in Christ,  
Fr. Alessandro Lovato  
St. Helen's Parish, Pastor  
Burnaby

# ADMISSION POLICY

As per the policy of the Superintendent's office for all Catholic Schools in the Vancouver Archdiocese; the following is the priority list for admission to St. Helen's School.

For purposes of this policy, "practicing Catholics" shall mean those individuals who are registered in a parish and attend Sunday Mass regularly. "Active in a parish" shall mean those who support the parish by using envelopes regularly and participating in the work activities required of them.

1. Children presently enrolled in the school if they and their families meet the expectations of the school.
2. Siblings of children already in the school whose families are practicing Catholics and active in our parish.
3. Children whose families are practicing Catholics active in our parish.
4. Siblings of children already in the school whose families are practicing Catholics active in other parishes.
5. Children whose families are practicing Catholics coming into the parish who have been attending Catholic school elsewhere.
6. Children whose families are practicing Catholics active in other parishes.
7. Children whose families are either not practicing Catholics or not active in their parishes.
8. Non-Catholics. Once accepted into the school, non-Catholics need only meet the criteria expected of other students to be re-admitted in subsequent years. Siblings of non-Catholics cannot be given priority over Catholics.

It is the Pastor and PEC's prerogative and responsibility to decide upon admission of a family where there is financial difficulty and/or inability to participate in the Participation Program. The Pastor may decide to grant them "Special Consideration."

\*Being a double-stream school we do our best to care for your child's education. For this reason, we are unable to take class placement requests as we would have to consider everyone's preferences which are incredibly difficult to accommodate. Thank you for your support and understanding.

# ST. HELEN'S SCHOOL UNIFORM

St. Helen's believes that a school uniform is an identifying symbol of a particular school with its individual characteristics. It identifies a child as a student of St. Helen's School and should be worn with pride. A student's personal appearance impacts their attitude as well as their behavior and thus the learning process. The purpose of having and enforcing a uniform is to create uniformity whereby diminishing social and cosmetic differences that attract undue attention to individual students. In school, the student is encouraged to draw on their inner strengths to express their creativity and personal self.

## UNIFORM

- Girls: St. Helen's Tunic (Grade K to 3) (1-3 tunic or skirt are options)

## **RULES**

All students from Kindergarten through Grade Seven are expected to be in full uniform at all times. If for unforeseeable circumstances, the child/children are unable to be in uniform, they must bring a note to their teachers giving the reason. Parents are strongly advised to put their child's name, on **ALL** uniform items, in some permanent fashion.

On the first occasion, a child is not in uniform without a note, or if the child's appearance is determined as unacceptable, a note will be sent home to the parents outlining the problem. If the problem is ongoing, and no special consideration has been given to the specific situation, the parents will be called and the child/children will be suspended. The suspension will remain in place until the situation is rectified. Any time missed will have to be made up at the school's convenience.

Sweaters are worn daily at the discretion of the child, BUT the child **must** bring them to school every day so that it is available to be put on for school gatherings, Masses, field trips, etc.

Based on the school's philosophy of uniform, there are expectations regarding personal grooming and accessories at school and during school-related functions. Predicting ever-changing fashion statements is impossible; therefore, the following are only some examples of these expectations:

**Girls:** No extreme haircuts, styles, coloring and/or bleaching of hair, no extreme accessories, no makeup, maximum one earring/earlobe – studs or sleepers only, no other body piercing or tattoos, no nail polish, skirts to be a modest length, shoe heel height not to exceed 1 – ½" or 3 centimeters.

**Boys:** No extreme haircuts, styles, coloring, and/or bleaching of hair, no extreme accessories, no earrings, body piercing, or tattoos.

It is the prerogative of the Education Committee to measure these expectations and the responsibility of the Principal to see they are enforced. All decisions made by the committee are final and subject to the terms of the Parent/Guardian Letter of Commitment signed at the time of admission.

## **LOST AND FOUND POLICY**

Unclaimed items will be sent to the missions regularly.
